Are you Ofsted Ready?

Preparing your school for an Ofsted inspection, while keeping up-to-date with the latest requirements, can be challenging and demanding. This programme will support you and your school to meet the challenges of an inspection before it happens so that you can perform at your best when that call comes.

BENEFITS TO THE SCHOOL

The school will benefit from:

- Support and challenge from a consultant who is also a qualified Ofsted Inspector.
- An understanding of Ofsted requirements in order to prioritise and focus on preparation
- Support to present a convincing and compelling evaluation of your school's unique achievements and context
- Identify where systems, evidence and impact analysis need development
- Support to evidence and demonstrate improvement succinctly

SERVICE PROVIDED

The Standard Programme can be developed to suit the school but a typical programme would include:

- evaluation of the SEF, inspection dashboard, in school pupil performance information and the

School Improvement Plan to identify likely trails (including a follow up report)

- Observation and evaluation of teaching and learning with senior leaders from your school (including a follow up report)
- A review of key documentation (including a follow up report)
- Evaluation of the school's assessment systems and the use of pupil performance information (including a follow up report)
- Guidance on how to produce and write a good quality self-evaluation report
- A training session on what to expect when the call comes.

Additional items can be added to the Standard Programme as required: eg.

- coaching for middle leaders
- preparing the governing body for the meeting with the inspector
- a review of safeguarding procedures
- a review of the website to ensure it is compliant.
